IMPORTANT INFORMATION:

Calan are a self contained package.
We are touring our own FOH Console & Monitoring system, this includes XLR cable for all instruments and mics.

We are touring:

All Mics

All DI's

Midas Pro 1 (FOH Console)

XLR Cables for all mics & DI's

Line Split system. FOH into DL153 Rack | Mons into our own rack mixer that does all IEM Mixes and lines on stage.

THE ONLY thing we need from the venue is mic stands and Power drops for everyone.

NOTE:

We DO NOT travel with FOH speakers, amplification and associated cables
